

Arlette Mitchell, Director of Intelligence and Special Programs

Ms. Arlette Mitchell has a Master of Business Administration (MBA) and over 20+ years of operations and management expertise. She is a professional who thrives in dynamic environments, seeks continuous improvement, and consistently delivers outstanding mission and financial results. Ms. Mitchell has been with MAR (MD) LLC since May of 2013 and is responsible for all business development, operations and management activities for the Intelligence and Special Programs (ISP) business unit.

In her primary role, she identifies potential NSA, DISA, NGA and other Intelligence Community opportunities, formulates the respective capture strategies, and develops teaming partnerships. She leads all opportunity proposal related efforts, to include technical and financial data calls. Ms. Mitchell is extremely active in the recruiting and hiring process and takes great pride in developing a career path/development plan for each of the ISP employees. Ms. Mitchell has a proven record of successfully moving ISP employees among positions within the current contracts and its numerous Technical Task Orders and Delivery Orders. She maintains open and positive relationships with all ISP contract Primes.

Ms. Mitchell received her MBA in Leadership and Management from Loyola College of Maryland and her Bachelor of Science in Business Management from the University of Phoenix.
