

Brandi Tippery, Director of Human Resources and Administration

Ms. Brandi Tippery has a Master's Degree in Human Resources (HR) with 18 years of diverse HR expertise. She's a professional who thrives in dynamic environments, and ensures that employee needs are met so they can focus on supporting our customers. Ms. Tippery has been with MAR since August of 2016 and is responsible for all aspects of HR for MAR.

In her primary role, Ms. Tippery is responsible for the employee and administrative functions of the MAR Division which includes recruiting and retention; benefits; compensation matters; policy questions covering employment related matters; organizational development; compliance with all applicable laws and policies; liaison for MAR managers; and safety related matters. She also assists with initiatives and projects for Oasis.

Ms. Tippery received her Master's in Human Resource Management from University of Maryland, University College in 2001 and her Bachelor of Science in Human Resources from the University of Maryland in 1997.
